Double Coated Cloth Tape - Paper Liner

Other ITC data sheets are available on our website adhesiveapps.com/our-products

DESCRIPTION

Product 607 is a high strength double coated cloth tape that is based on a durable synthetic cloth carrier with an extremely aggressive synthetic adhesive system. **Product 607** is a heavy coat version of our product #319 double coated cloth tape that is designed to offer greater adhesive strength for very difficult applications.

SUGGESTED USES

Product 607 is used for installing carpet to difficult surfaces, such as rough wood or concrete. Excellent for use on irregular surfaces for joining, mounting and laminating where immediate adhesion is desired the most. **Product 607** is widely used for asbestos abatement applications and is especially suitable for outdoor bonding use of difficult surfaces which standard cloth will not perform. **Product 607** is the solution for the most difficult bonding applications.
